GROVE HILL BUS SERVICE

During the 2017 Pembrokeshire County Council election campaign and since, I have been canvassed about having a bus service to the top of Grove Hill in Pembroke. After several months of discussions with Edward's Coaches and with the support of Pembrokeshire County Council, a trial service will be launched on Wednesday 4th September 2019. This is a free service that will run every Wednesday. It will also include the St Daniel's area. Please don't hesitate to get in contact with me; my contact details are:
